

Visit Japan Web

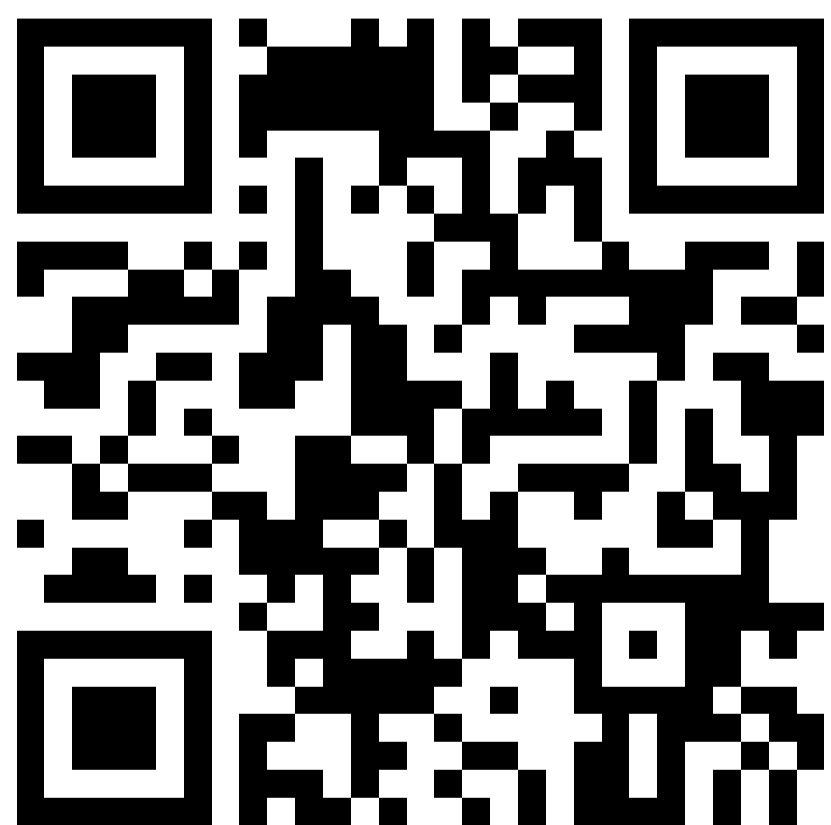

Visit Japan Web is an online service that enables travelers to register necessary information for CIQ procedures (Custom Declaration, Immigration and Quarantine).

An isometric illustration of an airport terminal. It shows an airplane on a tarmac with ground crew, a control tower, and a multi-level terminal building with various check-in and processing areas. Three blue callout boxes with white text are overlaid on the diagram: 'Quarantine' at the top, 'Immigration' in the middle, and 'Customs' at the bottom right. A smartphone is shown in the foreground on the left, displaying a QR code.

Quarantine

Immigration

Customs
